## Patient Financial Responsibility and Insurance Policy

- If you are a patient using dental insurance, as a courtesy to you, our office will gladly submit dental claims to your insurance company.
- The patient's insurance policy is a contract between the patient and his or her insurance company. However, ALL CHARGES ARE THE PATIENT'S RESPONSIBILITY REGARDLESS OF THE INSURANCE COVERAGE AND THE PATIENT IS ULTIMATELY RESPONSIBLE FOR ANY UNPAID BALANCES.
- Our insurance coordinator verifies that the patient has active dental insurance coverage the day before the appointment.
- As a courtesy, we will gladly contact your insurance in order to provide an estimate of your patient portion for treatment needed. However, despite this, we cannot guarantee the payment of insurance benefits nor can we provide 100% accuracy of the estimated amount since many factors are involved that determine the actual payment of benefits once submitted and processed by your insurance. Keep in mind that many insurance companies base their quoted percentage of coverage on their own fee schedule, and not our office's actual fees, which may result in a balance due higher than expected.
- Should an outstanding balance due result after your insurance company processes your claim, you will then be sent a statement.
- Payment in full is due by the due date printed on the statement.
- If you are a patient not using dental insurance, payment in full is expected at the time services are rendered.
